# Planning the journey ahead

## PLANNING

Our sole focus, is revolved around the happy couple and aim to deliver a service which is worthy of their special day.

**Let's have a chat**, and together we can **draw up a plan** that works around you.

Once you've booked and confirmed; we can **start your journey**. Choose from a list of our **approved and talented caterers**; you'll be spoilt for choice with an extensive menu full of dishes to impress your guests.

Part and parcel of your **pre-event planning** includes a detailed and itemised floor plan to highlight where everyone will be seated; where the bride and groom can make their grand entrance from, what's happening where and at what time.

Running up towards the final few weeks before your special day; your Wedding Co-ordinator will liaise with you and make sure everything is ready for your big day.
